

Unika ColorFill™ worktop sealant kit

- > For repairing and sealing worktops
- > ColorFill™ is the first sealant to be designed for the installation of mitred laminate worktop joints
- > It performs three tasks:
 - Bonds the joint together
 - Seals the joint against water and domestic detergents
 - Exactly color matched to the worktop, so making the finished joint almost invisible
- > In addition to worktop joints, ColorFill™ will repair chips and scratches in laminate and melamine surfaces
- > ColorFill™ has been formulated to resist moisture, detergent and other household products as efficiently as the laminate and will withstand heat and direct sunlight
- > Supplied with:
 - 1x 25 g tube of ColorFill™ worktop joint sealant and laminate repair
 - 1x 25 ml bottle of ColorFill™ solvent
 - 1x Applicator
- > Order qty: 1 pc
