

Häfele Mitre Classic, 2-part bonding kit

- > A two part instant bonding kit. It is strong, durable and bonds in seconds. Will bond a wide range of materials
- > Suitable for use on MDF, wood, cork, leather, rubber, most plastics, most metals
- > Will replace traditional fixings, such as screws, staples or nails
- > Typical applications include: Kitchen/bedroom furniture (installation and manufacture – particularly cornice and mitre joints), decorative MDF trim manufacture, beading for laminate floors, general wood work applications, picture framing
- > Provides a much faster and convenient bonding solution than the traditional PVA and hot melt adhesive alternatives
- > Saves time and hassle (bonds in only ten seconds)
- > Set includes:
 - 1x Easy bond activator, 200 ml can
 - 1x Rapid set adhesive, 50 g
- > Order qty: 1 pc
