

tesa® 4621 multipurpose outdoor cloth tape

- > Green pressure sensitive adhesive cloth tape based on an acrylic adhesive and a polyethylene backing reinforced with polyester
- > Can be effortlessly torn by hand in both vertical and horizontal directions. It offers gentle unwinding without curling when torn
- > Waterproof and weather resistant for up to 8 weeks, meaning no residues are left behind
- > The polyester cloth reinforcement withstands wear and tear from tools, ensuring the tape remains intact, which offers a hassle-free removal. The green colour is easy to identify on various surfaces
- > Features high initial adhesion, yet it is easily repositioned. Low thickness ensures maximum conformability
- > tesa® 4621 multipurpose cloth tape can be used for all kinds of outdoor purposes, such as:
 - Masking for the painting of facades, coating of floor markings, plastering, etc.
 - Used on rough surfaces like concrete, plaster and render
 - Holding protective layers such as plastic films and paper sheets in place
 - Fastening and bundling of wires, cables and loose objects
 - Plus a variety of further uses like taping lightweight signs onto walls and the sealing of boxes
- > Hand-tearable
- > 50 m rolls
- > Order qty: 1 pc
