

tesa® Professional 66952 mounting mirror tape

- > The self-adhesive and durable tape reliably holds even in humid and damp surroundings. It sticks to smooth surfaces and is suited for flat objects up to 4 mm thick; for example, mirrors. This is the ideal tape for professional craftsmen and -women, when customers do not allow to drill indoors
- > Adheres securely and firmly even in humid environments: Due to its high moisture resistance, this installation adhesive tape was designed to particularly hold on bathrooms' tiles
- > Reliable hold without any permanent holes: doesn't require the use of screws, plugs or nails - fixating heavier objects has never been easier
- > Belongs in any professional tool box: tesa's double-sided mirror adhesive tape simplifies the work of modern craftsmen and craftswomen in places where screwing is not an option
- > 5 m rolls
- > Order qty: Multiples of 16 pcs
