

tesa® Professional 66965 mounting transparent tape

- > Durable, crystal clear and extra thin adhesive mounting tape, double-sided - Ideal for most indoor and outdoor use
- > Apply in vertical strips and along the full length of the object or surface. Press down firmly on the mounting tape for at least five seconds
- > Strong and durable: temperature-resistant up to 100°C in the long term, resistant to damage caused by moisture, (certain) chemicals, softening agents and UV-light
- > Works almost invisible: the transparent tape adheres to smooth surfaces like glass, tiles, wood and various types of plastics
- > Ideal for interior and exterior use: Strong double-sided adhesive tape for secure fixing of flat objects such as signs, thermometers and more
- > Easy to use: The mounting tape can be cut into individual small or large pieces for an adhesive strip in the optimized size
- > Holds up to 2 kg per 10 cm tape
- > Tackified acrylic
- > 25 m rolls
- > Order qty: Multiples of 8 pcs
