Unika Solid surface worktop rejuvenate

- > Use on Corian and Acrylic worktops
- > A ready to use specialist cleaner that will renovate the work surface safely
- > Will renovate acrylic and polyester worktops for example, Corian, Slab Tech, HI-MAC'S, Earthstone, Avonite etc.
- > Designed to remove minor scratches from solid surface worktops and leave the worktop as good as new
- > Contains mild abrasive particles which when coupled with a white nylon pad will buff up the work surface
- > Use as and when required on worktop areas that are subjected to a lot of wear and tear. Or use to renovate the whole worktop when it becomes scratched and dull.
