Moldex 6441 Twisters® cord ear plugs	007.48.136

Moldex 6700 Jazz Band® 2 ear plugs

- > With soft foam plugs and well balanced contact pressure
- > Light and flexible
- > Offers a high degree of wearing comfort and dependable noise reduction
- > The band, which is worn under the chin, can be quickly and easily positioned and removed. This is particularly useful when fluctuating noise levels require intermittent use of hearing protection
- > Neck cord, with safety release mechanism, enables the banded earplugs to be hung comfortably around the neck when not in use
- > SNR of 22 dB
- > Supplied with an extra pair of replacement pods
- > Replacement pods 007.49.411 available separately
- > Order qty: Multiples of 8 pcs
