

GRASS NOVA PRO SCALA STACK TOWER - RAIL

A flexible alternative to a larder unit, the Nova Pro Scala Stack Tower Rail comes with pre-assembled drawers with rectangular railings, easy to install and allowing maximum capacity for storage.

- > With integrated liquid Soft-close®
- > All drawers are 450 mm deep
- > 40 kg weight capacity using fully synchronised runner technology without midway knock
- > Integrated height and side adjustment
- > Internal drawer front can be fitted and removed without tools
- > Optimal use of storage space due to straight inside narrow surfaces and narrow construction
- > Can suit different larder unit heights depending on drawer combination
- > Silver, stone or Zircon finish
