

GRASS NOVA PRO SCALA STACK TOWER - CRYSTAL PLUS

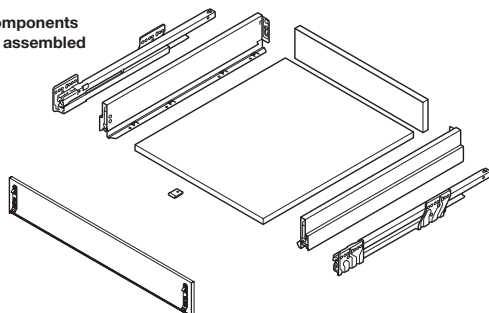

A flexible alternative to a larder unit, the Nova Pro Scala Stack Tower Crystal Plus comes with pre-assembled drawers with glass sides, easy to install and allowing maximum capacity for storage.

- > With integrated liquid Soft-close®
- > All drawers are 450 mm deep
- > 40kg weight capacity using fully synchronised runner technology without midway knock
- > Integrated height and side adjustment
- > Internal drawer front can be fitted and removed without tools
- > Optimal use of storage space due to straight inside narrow surfaces and narrow construction
- > Can suit different larder unit heights depending on drawer combination
- > Silver, stone or Zircon finish

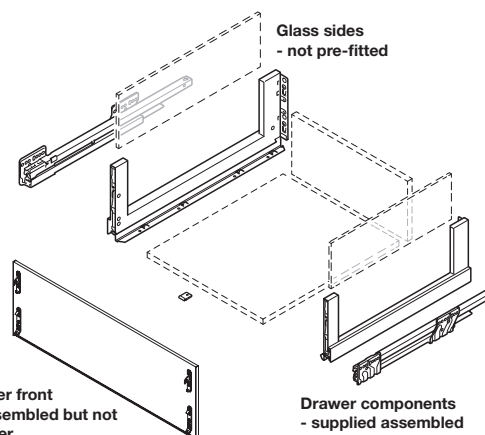

Nova Pro Scala Stack Tower Crystal Plus sets - 1 standard and 4 pan in silver finish.
Please note: the frosted glass sides are only for representation purpose; the actual product is delivered with the grey transparent finish
