

LAMELLO CLASSIC X BISCUIT JOINERS

- > Classic X is the original biscuit joiner from the inventor of the Lamello System for cutting the 4 mm groove. The proven and well-designed Classic X is fast and versatile in its use and the basis for the wide range of connectors with fixed, self-clamping and detachable solutions. Precision in every component leads to perfect accuracy of the workpieces and saves time. The multifunctional stop square allows perfect mitres by applying on the exterior surface and stabilises the machine in vertical position
- > Biscuit joiner to produce the 4 mm groove for the Lamello system
- > Maximum precision for high-quality timber joints
- > Multifunctional stop square and swivel stop with fixed pivot point
- > Optimum user-friendliness for precise connections
- > Attachment plate for individual adjustment of the groove position

Lamello Classic X Cordless handheld biscuit joiner

- > Type of router bit: Diamond biscuit joiner with profile groove function
- > Milling of the profile groove is activated automatically, lightweight thanks to compact design, visual display for the lifting process
- > Technical data:
Version 18 V
Revolution speed 6000 min⁻¹
Cutter Biscuit joiner blade 100 x 4 x 22 mm
Groove width 4 mm
Cutting depth max. 20 mm
Weight 3.1 kg
- > Supplied with:
1 Classic X rechargeable biscuit joiner
2 rechargeable batteries, 18 V LiHD 4.0 Ah
1 ASC 55 battery charger
1 suction stub 36 mm
1 stop square
1 spacer 4 mm
1 set of tools
1 dust bag
Supplied in systainer® tool case
- > Order qty: 1 set

Item	Cat. No.
Classic X cordless biscuit joiner, 18V	001.18.001

Lamello Battery charger ASC 55

- > Area of application: For Zeta P2 cordless, Classic X cordless
- > Order qty: 1 pc
