

## Free Space drilling jig

- > For pilot drilling the cabinet side panels and flap front panel
- > Plastic, with steel drilling sleeves
- > Order qty: 1 pc

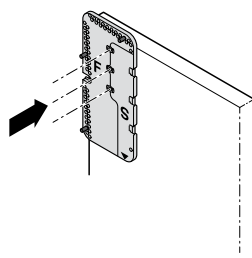

## Application

## Side panel

The drilling jig is positioned directly in the left or right cabinet corner (reference mark "S")

## Front panel

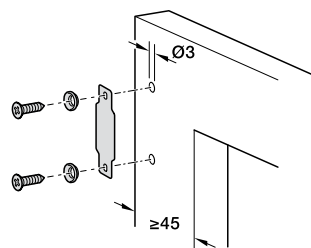

The positioning pins are pre-mounted in accordance with the selected door overlay dimension; then the drilling jig is positioned in both top corners of the front panel (reference mark "F")

For drilling patterns, please see Free space installation instructions.
