Matt black, with black cover for black light module

Lamp shade for bedside/reading light

- > Dim. (Ø x Height): 120 x 55 mm
- > Material: Plastic
- > Packing: 1 lamp shade

Colour	Cat. No.
Matt black	833.77.591

- 1 = Assemble lampshade and light
- 2 = Fixed connection. Snap-in connector can be released with a slotted screwdriver
- 3 = Can be rotated by $\pm 140^\circ$ for mounting the concealed screws and for light control

Order reference:

Light module not included in the scope of delivery, please order separately. The lamp shade snap-in connector covers the underside of the light module at the same time. The cover is integrated in the lamp shade in the versions black or white. Therefore, when choosing the lamp shade, always ensure suitability for the colour of the light module
