Colour	Cat. No.
Opal white	833.72.919

For LED strip lights with max. 9.6 W/ m.
For LED strip lights with a width of precisely 8 mm.
Please position clips outside or use soldered leads.

Diffuser (integrated)

The low installation height is ideal for COB strip lights, since they do not depend on the installation height for illumination without visible LED points. Identical profile for standard LED strip lights is profile 1101 with 11 mm routing depth
