

Loox5 spot lights

Surface mounted, tuneable white 2-wire technology, 75 x 200 mm

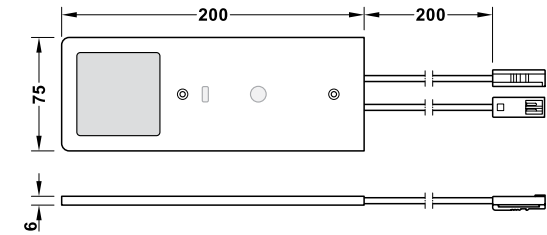

Häfele Loox5 LED 3100

Without sensor

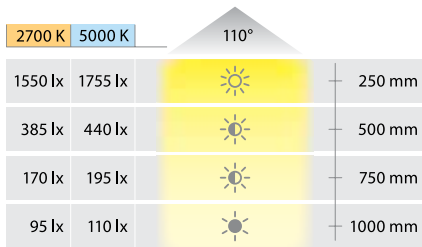

With sensor

Homogeneous light distribution

- > Version: Available with or without sensor
Version with sensor: Main light with gesture control (on/off, dimming) and choice of colour push button
- > Dimmable: Yes
- > Material: Aluminium
- > Diffuser: Opal white
- > Dim. (L x W): 75 x 200 mm
- > Height: 6 mm
- > Degree of protection: IP20
- > Mounting: For screw fixing
- > Supplied with: 1 light with 200 mm lead, including fixing materials

Loox5 24 V driver see page ► 1.137

Installation note:

When using a 6-way distributor with switching function, please always connect the main light with integrated switch to the 7th output port (continuous current) of the 6-way distributor.

The main light has integrated colour control and cannot be controlled with Häfele Connect Mesh.

The main light can be extended with max. 7 secondary lights.
