

We recommend that mains voltage lighting be fitted by a qualified electrician

## EGLO Salitta LED surface light

The LED surface-mounted luminaire SALITTA features a black rectangular metal housing, which has been combined with a white plastic diffuser. It can be used both as a ceiling and as a wall lamp. The integrated LEDs provide pleasant warm white light. With a simple design, the 58 cm long outdoor lamp fits perfectly into almost any trend. The fixture's IP65 rating means it can be used outdoors without hesitation due to dust tightness and protection against jets of water. Thanks to its minimalistic design, it fits into any modern outdoor area, ideal for house facades, terraces or balconies.
