

We recommend that mains voltage lighting be fitted by a qualified electrician

EGLO Salobrena 1 LED ceiling light

The Salobrena 1 LED ceiling light features a square, black aluminium frame with a white plastic cover. Thanks to the optical floating effect due to the hidden bracket on the ceiling, the 450 mm LED panel has a high-quality look. The timeless design and the neutral white light of the ceiling light are ideal for any room where good illumination is required, such as the kitchen, hallway, utility room or office

- > Dimmable: No
- > Version: Ceiling light, without switch

EGLO Salobrena 1 LED ceiling light

The Salobrena 1 LED ceiling light is made from a square, black metal frame with a white plastic cover. Thanks to the optical floating effect created by the concealed ceiling mount, the 59.5 cm LED panel appears particularly high-quality. The timeless design and the neutral white working light of the ceiling lamp are ideal for any room where good illumination is needed – for example, in the kitchen, hallway, utility room, or office.
