Room Lighting: Pendant Lighting

EGLO Oilella single pendant light

The Oilella combines retro flair with a sleek design, perfect for a modern or minimalist home. A single pendant with black steel detailing and textile cable, and a rounded shade with gradient smoked glass. The shade has an accent of brass-coloured steel which adds an eye-catching touch to the fitting. This style of fitting looks great paired with dramatic lightbulbs and would compliment being hung in any room of the house
