EGLO Staverton single pendant light

The Staverton pendant light features a black wire lampshade. This decoratively curved wire lampshade creates a fascinating play of light and shadow as soon as the light is on. The smooth spiral design of the lampshade allows the product to integrate perfectly into modern interiors, whether in the living room or above the table in the dining room. The pictured filament lightbulb is not included. The product has an E27 lamp holder and requires an E27 lightbulb.
