

We recommend that mains voltage lighting be fitted by a qualified electrician

EGLO Priddy single pendant light

The Priddy pendant light has a suspended round metal shade in black with a white inner surface. With its subtle industrial-style design and 305 mm lampshade, the pendant light is the perfect finishing touch for modern interiors. The pendant light provides attractive downward lighting in the living room or above the dining room table. The product has an E27 lamp holder and requires 1x E27 lightbulb, which is not included

EGLO Grantham 1 pendant light

The Grantham 1 pendant lamp is made with a round, antique brown steel lampshade with a beige interior. The black link chain and black metal attachment round off the robust design of the lamp, so that the pendant fits perfectly into industrial-style interiors. It provides mood lighting in the living or dining room above the dining table. The bulb is not included. The luminaire is suitable for any bulb with an E27 base
