## EGLO Hornwood wall light

The Hornwood wall and ceiling light feature a natural pinewood frame with a pivoting black metal lampshade with an inner cream lining. The wall-mounted spotlight has a black metal mount, which complements the light's compelling mix of wood and metal. The product blends seamlessly with modern interior design styles and can be used as a ceiling light. The pivoting head allows you to adjust the light to accentuate individual areas of the room, whether in the living room, the bedroom, the hallway or the dining room. The product requires 1x E27 lightbulb, which is not included.

## EGLO Esteperra wall light

The Esteperra wall and ceiling light is made from black metal and has an adjustable spotlight finished in black fabric with an inner gold lining. The small cut-outs around the edge of the lampshade create a fascinating play of light and shadow as soon as the light is on. The wall-mounted spotlight blends with almost any home interior and can be used as a ceiling light. The pivoting head allows you to adjust the light to accentuate individual areas of the room, whether in the living room, the bedroom, the hallway or the dining room. The product requires 1x E27 lightbulb that is not included.
