

We recommend that mains voltage lighting be fitted by a qualified electrician

EGLO Carlton 1 wall light

The Carlton 1 wall light features a black metal body and a diamond-shaped black metal lampshade with an inner copper lining. The geometric apertures on the shade create a fascinating play of light and shadow on the wall. The wall light complements modern interior design styles and works well in any space, whether the living room, the bedroom or the dining room. The product requires 1 E27 lightbulb that is not included
