Room Lighting: Wall Lighting

EGLO Priddy wall light

The Priddy wall light has a black metal finish and an adjustable spotlight with a white inner finish. The product has an industrial-style design that blends seamlessly with modern interior design trends. The pivoting lamp head allows you to adjust the light to accentuate individual areas of the room, whether in the kitchen, living room, bedroom, hallway or dining room. The product has an E27 lamp holder and requires 1x E27 lightbulb, which is not included.

Direct delivery

EGLO San Peri wall light

The San Peri wall light has a black metal finish and features an adjustable arm and head. The lampshade has a white inner finish and produces excellent lighting, while the pivoting arm can adjust the light to accentuate individual areas of the room. The wall light can switch on and off easily using the in-line switch. The minimalist design blends seamlessly with modern, vintage and industrial-style interiors, providing ideal lighting for your home. The pictured filament lightbulb is not included. The product has an E27 lamp holder and requires an A60 E27 lightbulb.
