

HAWA-PORTA 100 GW SLIDING GLASS DOOR SYSTEM

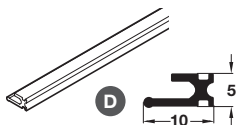

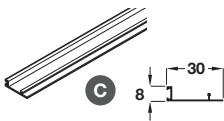

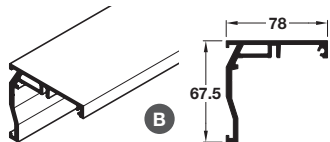

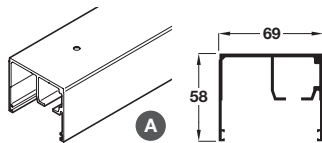

High quality top hung system for toughened glass doors. This is particularly suitable for hotels, offices, schools etc. where panels may have to be replaced on a regular basis. Optional soft close mechanism.

- > HAWA-PORTA 100 GW
- > Range:
 - Maximum door weight **100 kg**
 - For glass door thickness **8-12 mm**
 - Max. glass panel height **2700 mm**
 - Max. glass panel width **1600 mm**
- > Due to the unique design of the system all trolleys and clamps are concealed within the top track so that a pelmet is not required
- > No access panel required, glass doors can be removed without removing any part of the door frame or ceiling

Tracks and fitting sets must be ordered separately, shown below and on page 2.63
