

# SMEG INDUCTION HOBS WITH INTEGRATED EXTRACTION

Save wall space with a hob that has an integrated downdraft extractor. Steam is pulled down into the hob rather than going up into the air and into a conventional hood. Hob and extractor in one, with the extractor unit completely hidden under the hob.

## Smeg Dolce Stil Novo induction hob with extractor, 830 mm

Black glass with copper trim

Black glass

- > Dimensions: 830 mm width x 520 mm depth x 210 mm height
