

SMEG HAND MIXER

The Smeg HMF01 hand mixer has a backlit LED display embellished on the control panel, with indication of speed and time of use: a perfectly user-friendly interface that disappears when the product is turned off, showing the chrome of the handle in all its elegance. Two function keys allow you to select up to nine speed levels for mixing, whipping and activating the Turbo function. Available in 7 retro style colours.

SMEG STAND MIXERS

The award winning Smeg stand mixer has become a style icon in its own right, beautifully crafted with a die-cast aluminium body and superb ergonomic design. The lever on the top allows variable speed control between 1 and 10 with the lower range perfect for kneading and the top end better for high speed whisking.

Optional extras: Additional mixer bowls and accessories, ice cream maker, pasta roller, ravioli maker and cutter set and multi-food grinder shown on pages **1.284-287**
