

**Elite Soft Close pull out storage system**

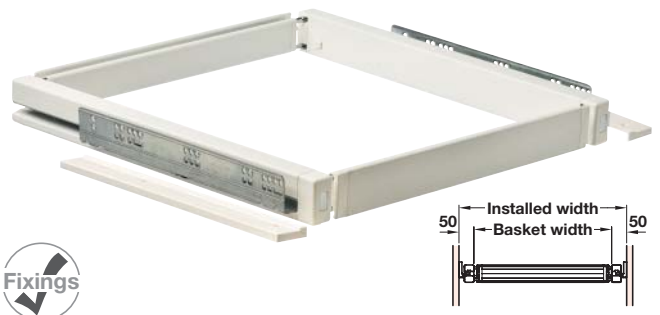

This high quality bedroom storage system consists of pull out frames in white with a range of storage fittings which simply clip or hang onto the frames.

Storage fittings are available in white or silver epoxy coated steel.

Pull out frames have full extension runners with dampened return (soft close action). The frame is side fixing and adjustable to different widths to accommodate different combinations of baskets, trays and racks.

Side fixing pull out unit with mirror: also available on page 7.

Optional bracket for undershelf mounting of pull out units: page 8, enables Elite range to be used with Stilos profile system shown on pages 14-15 to create wall mounted storage system.
