

APOLLO® WOOD WORKTOP

Finger jointed in the length, and edge glued to provide stability and strength. A great selection of species, each individually shrink wrapped with instructions included.

- > Raw sanded to 150 grit and ready for finishing
- > Oil is required to treat the wood before use, the oil enhances the natural grain of the wood and gives it a water resistant seal. Ultra work surface sealant is provided in the installation and care kit which must be ordered for all timber installations
- > The colour of the wood will change over time, giving a beautiful and matured look
- > Apollo® timber Installation and care kit must be ordered separately, if required

> Wood installation and care set, **564.13.998** must be ordered separately

Wenge
