

Grohe Blue® Pure starter kit, C-spout

- > Model: Grohe 31 087
- > Includes:
 - Dual lever mixer tap with filter function
 - Grohe Blue® water filter with S-Size filter head
- > For filtered and standard mixed hot/cold water
- > Dual flow spout - two separate waterways to ensure that GROHE Blue® water does not come into contact with unfiltered water or with metal parts after filtering, thus preserving the filtered taste
- > Left touch activated handle for chilled and filtered water, right hand lever for standard mixed hot and cold water, amount of sparkle can be regulated by the touch activated handle
- > Grohe Blue® filters use a five-step filtration process to remove even the smallest particles from tap water, while leaving behind all the important minerals that benefit your health
- > Overall tap height: 407 mm
- > Spout exit reach c/c: 225 mm
- > Spout exit height: 253 mm
- > Tails included
- > 2.0 bar min. operating pressure
- > 5.0 bar max. operating pressure
- > Brass
- > Order qty: 1 pc

2+1 Year Guarantee
