

MIRKA® PROS DUST BAG ORBITAL SANDER

The innovative fleece dust bag has a much larger capacity than other bags on the market and improves the air flow of the machine so that a dust-free environment can be achieved.

Mirka PROS 650DB sander with dust bag and Ace discs set

- > The Pneumatic Random Orbital Sander – MIRKA® PROS 650DB (Dust Bag) is developed in-house by Mirka's industry leading design team. It is packed with clever features and attention to detail which has created an efficient and effective sanding tool that is perfect for professional operators
- > MIRKA® PROS 650DB has a five millimetre orbit and has been specially developed to produce maximum dust extraction, even at low suction power, thanks to a wider dust suction outlet in the machine housing which substantially improves dust suction efficiency
- > MIRKA® PROS 650DB has a larger dust bag compared to other machines
