

FESTOOL ACCESSORIES

Festool Work light SYSLITE KAL GB

UK plug supplied

- > Excellent light thanks to 6 high-performance LEDs
- > Various battery charge options for the internal 7.2 V battery for maximum operational readiness
- > Huge scattering angle of 170°
- > Long life and robust thanks to shatter-proof housing
- > Compact design - can be flexibly positioned without cable hazards
- > Festool battery packs can also be inserted for an even longer operating life
- > Heat-insulated moulded recess to protect the user and light
- > Main applications: Precise work through broadly diversified, homogeneous lighting on medium-sized areas
- > Technical data
 - Light source: 6x3 W
 - Duration (internal battery) 1st/2nd stage: 90/240 min
 - Charge time of internal battery: 180 min
 - Permissible operating temperature range: -5 – +55 °C
 - Operation with ext. Festool battery packs: 12-18 V
 - Hook opening: 40 mm
 - Thread size stand: 1/4 "
 - Dims (L x W x H): 80 x 100 x 150 mm
 - Weight (without external battery pack): 0.7 kg
- > Scope of delivery:
 - Integrated lithium-ion battery 7.2 V 2.2 Ah
 - Charger adapter 240 V
 - Car charger adapter
 - Transport bag
 - In a carton
- > Order qty: 1 pc

	Cat. No.
Work light	008.75.280

Festool Gecko

With guide rail adaptor

Without guide rail adaptor

- > For use with TS 55/75 circular saw
- > Available with or without guide rail adaptor
- > Easy, non-slip clamping of guide rail on smooth and closed porous workpieces
- > Not suitable for raw MDF
- > Suction pad Ø 126 mm
- > Load bearing capacity:
 - Force is perpendicular to the surface 70 kg
 - Force is parallel to the surface 50 kg
- > Order qty: 1 pc
